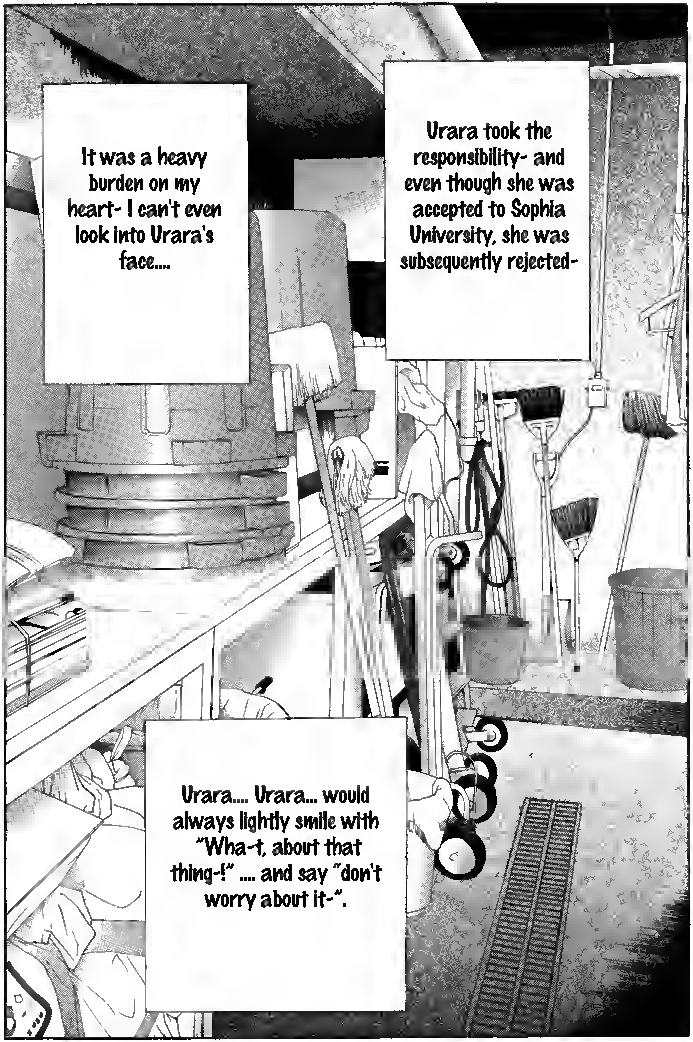
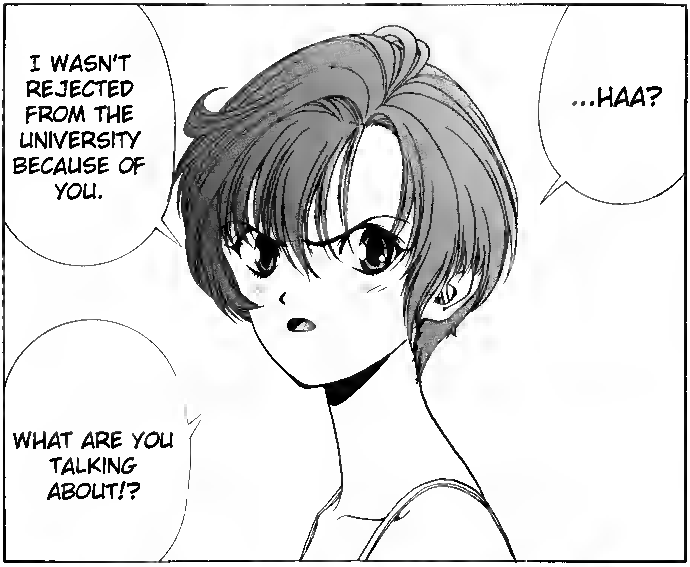
Even if I was the one who broke the glass in grade school-
I explained it to Urara-



It was a heavy burden on my heart- I can't even look into Urara's face....
Urara took the responsibility- and even though she was accepted to Sophia University, she was subsequently rejected-
Urara.... Urara... would always lightly smile with "Wha-t, about that thing-!" .... and say "don't worry about it-".



I WASN'T REJECTED FROM THE UNIVERSITY BECAUSE OF YOU.
...HAA?
WHAT ARE YOU TALKING ABOUT!?

16

...EH?

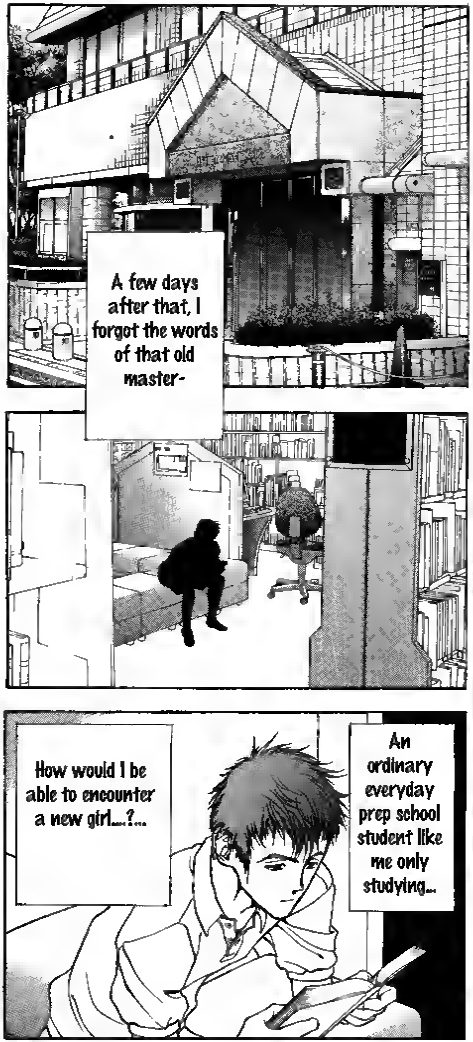
YOU WILL CONTINUE TO DO H WITH A NEW GIRL! THIS IS THE TURNING POINT OF YOUR LIFE'S GREATEST WISH...



A few days after that, I forgot the words of that old master-
How would I be able to encounter a new girl....?...
An ordinary everyday prep school student like me only studying...
Fine if it's true, fine if it's not... Right, old man-

I was surprised to learn just how precise that old master really is-

However-
